

We use functional cookies to ensure that our website works optimally for the visitor. We also use analytical and marketing cookies for our web statistics such as origin, target group and behaviour. We use software to link visitors' IP addresses to a database of company data.

We store personal data that you can leave via our contact forms. Information about organisations registered as a result of their visit to [www.certigon.nl](http://www.certigon.nl) is not shared with third parties.

We respect your privacy and will only process your data in this manner and for these purposes in accordance with the General Terms and Conditions of Data Processing and other applicable laws and regulations.
