

Privacy Policy

Certigon, established at Oud Beekbergerweg 19, 7331 HL, Apeldoorn, the Netherlands and registered at the Chamber of Commerce with number 57160023.

We respect the privacy of visitors to www.certigon.nl and therefore describe in our privacy policy what information we collect and how we use it.

First of all, we would like to tell you that by using or purchasing the information and services on www.certigon.nl, you agree to our privacy policy and the conditions that we have included in it. If you have any questions about this, please contact us by email at info@certigon.nl with the subject Privacy Policy.

What data do we store when you visit our website and for what purposes?

We use various techniques to keep track of who visits the website, how this visitor behaves on the website and which pages are visited. This is a common practice for websites because it provides information that contributes to the quality of the user experience. We also store the personal data that you can leave via our contact forms. The information we record via cookies includes IP addresses, browser type and pages visited. We also monitor where visitors first visit the website and from which page they leave. The software of SalesFeed is linked to this website. With the software of SalesFeed statistics are generated about the origin and behavior of our target groups. The software of SalesFeed processes IP addresses of visitors for this purpose. The IP addresses of some of the Dutch organizations that visit www.certigon.nl are linked to a database containing company data. Information about organisations registered as a result of their visit to www.certigon.nl is not shared with third parties.

What cookies do we use?

We use functional cookies to ensure that our website works optimally for the visitor. We also use analytical and marketing cookies for our web statistics such as origin, target group and behaviour. We use software from SalesFeed to link visitors' IP addresses to a database with company data.

You can enable or disable the use of cookies yourself.

You can choose whether or not to allow cookies to be placed. You can do this by using the opt-in possibilities of the cookie wall or via the possibilities of your browser. More information on the possibilities of adjusting the placement of cookies in your browser can be found on the website of the provider of the browser you are using.

What data do we collect and process in order to provide our services?

The information may consist of personal data, such as name, address, e-mail address and telephone number or company information that you make available through the website, telephone or otherwise.

What else may Certigon use your (collected) data for?

Personal data is processed by us to enter into and execute agreements relating to the services provided by Certigon. The collected data is stored in our highly secure customer management system. Certigon will not make the data available in any way to third parties, lend, hire out or sell it, or disclose it in any other way unless Certigon is required by law to do so. Personal data shall be kept for no longer than is necessary for Certigon and in accordance with the legal framework with regard to retention periods. The basis for this processing is the legitimate interest of Certigon, or the processing of personal data is necessary in order to fulfil the agreement entered into with you. By accepting the cookie placement or filling out a contact form, you automatically give your consent to the processing of the data.

Accessing and changing your data

Should you wish to amend and/or change your personal data, you must contact Certigon. Certigon will then implement the modifications/changes. You have the right to inspect your personal data at any time.

Certigon keeps its customers informed by means of e-mail communication. If you no longer wish to receive e-mail communications from Certigon, you may unsubscribe by using the unsubscribe function in the relevant e-mail or by replying to the sender's e-mail address. We strive to always respond within 1 month after the request. A request is at all times free of charge, unless the request can be found unfounded or excessive. In the case of unfounded or excessive requests, Certigon has the right to charge a reasonable fee or to refuse the request.

Filing a complaint

If there is reason to believe that Certigon is not helping you in the right way, or is handling your personal data in the wrong way, you have the right to lodge a complaint with the Personal Data Authority.

We do not share with third parties

Information about organisations registered as a result of their visit to www.certigon.nl is not shared with third parties. We respect your privacy and will only process your data in this manner and for these purposes in accordance with the General Terms and Conditions of Data Processing and other applicable laws and regulations.

Adjustments

Certigon reserves the right to modify this privacy policy at any time. You will find any changes in this document. This document was last updated on 8 June 2021. If you have any questions or comments about Certigon's privacy policy, please contact us using the information below.
